Bewusstseins-Forschung

Belgien

- **EUROTAS**

-> EUROTAS tries to manifest the meaning of the term TRANSPERSONAL in all its facets to (1) the professional community, (2) to the scientific community and (3) to the public. This threefold job of spreading knowledge is strongly necessary as the term “transpersonal” is in all of these three fields still widely unknown or it is still in danger of destructive misinterpretations.

<http://www.eurotas.org>

Brasilien

- **International Institute of Projectiology and Conscientiology (IIPC)**

-> IIPC is a non-profit research and educational organisation that studies the consciousness, placing special emphasis on out-of-body experience, bioenergy and other multidimensional and psychic abilities

<http://www.iipc.org.br/index2.php>

Europa

- **European Journal of Parapsychology (EJP)**

-> The European Journal of Parapsychology is a peer-reviewed scientific journal for research - particularly theoretical and theory-driven empirical work – relating to the field of parapsychology (defined as the study of communication or interaction between organisms and their environment that do not appear to rely on the established sensorimotor channels)

<http://ejp.org.uk/>

Frankreich

- **ONDES - Observatoire National de Discernement des Enigmes Scientifiques**

-> ONDES a pour objectif de proposer une information de qualité sur les phénomènes dits paranormaux

<http://www.paranormal-ondes.com>

Grossbritannien

Bewusstsein

- **Scientific and Medical Network** (Explorations in Science and Human Experience)

-> SMN is a British Network of mainstream scientists and physicians dedicated to consciousness research
www.scimednet.org

▪ **David Lorimer**

-> David Lorimer is a writer, lecturer and editor who is Programme Director of the Scientific and Medical Network.
www.davidlorimer.net

▪ **Dr. Rupert Sheldrake**

-> Rupert Sheldrake's web site summerizes the results of his research on unexplained powers of animals, the extended mind, and morphic resonance
<http://www.sheldrake.org/intro/>

▪ **Journal of Consciousness Studies**

-> Dedicated to the study of consciousness, this journal publishes a broad cross-section of articles from many defining disciplines.
<http://www.imprint.co.uk/>

▪ **International Futures Forum – Omnipedia**

-> Omnipedia is an electronic journal/review from the International Futures Forum published every two months. This review is for anyone in business, government or society striving to take effective action in the modern world; anyone who cares about the future and wants to keep up with latest thinking and practice for adapting to today's challenging environment.
www.internationalfuturesforum.com

▪ **Koestler Parapsychology Unit – University of Edinburgh**

-> PhD Psychology program at the University of Edinburgh with specialization in parapsychology.
<http://moebius.psy.ed.ac.uk/>

▪ **Society for Psychical Research**

-> Founded in 1882, the Society for Psychical Research was the first of its kind to examine allegedly paranormal phenomena in a scientific and unbiased way. Today the Society continues with its aim of understanding events and abilities commonly described as 'psychic' or 'paranormal' by promoting and supporting important research in this area. Through the publication of scholarly reports and the organisation of educational activities, it acts as a forum for debate and promotes the dissemination of information about current developments in the field.
<http://moebius.psy.ed.ac.uk/~spr/>

▪ **The Cybernetics Society UK**

->The Cybernetics Society holds scientific meetings, conferences, and social events, and engages in other activities to encourage public understanding of science and to extend and disseminate knowledge of cybernetics and its associated disciplines.
<http://www.cybsoc.org/>

Medizin

- **Prince of Wales's Foundation for Integrated Health**

-> The Foundation is encouraging the complementary healthcare professions to develop and maintain statutory or voluntary systems of self-regulation ; Research and Development : The Foundation aims to increase the capacity for high quality and appropriate research into complementary medicine and integrated healthcare.

<http://www.fihealth.org.uk/>

Naturwissenschaften

- **The Science of Giordano Bruno**

<http://www.giordanobrunoscience.com>

Philosophie und Religion

- **Metareligion - University of Southampton Research**

-> Doctors who found the first scientific evidence supporting the possible existence of an afterlife have launched a charitable foundation to further the study of the human mind at the end of life.

http://www.metareligion.com/Paranormale/NDE/university_of_southampton_research.htm

- **The Alister Hardy Trust – University of Wales Lampeter**

-> The Alister Hardy Society Religious Experience Research Center researching religious experiences and spirituality today

<http://alisterhardytrust.org.uk>

- **The British Teilhard Association**

-> The British Teilhard Association promotes the work and vision of Pierre Teilhard de Chardin - a vision of love, of fire, of convergence, of a world in evolution energised by spirit, a vision of dynamism and direction - of a universe in movement towards its ultimate consummation or completion in a 'universal cosmic centre' or 'centre of centres'.

<http://www.teilhard.org.uk>

Psychologie

- **Association of Jungian Analysts (AJA)**

-> AJA was founded in 1977 by Dr. Gerhard Adler and colleagues in order to provide an analytic training which aims to hold a balance between archetypal and developmental views of the personality

www.aja.dircon.co.uk

- **C.G. Jung Analytical Psychology Club London**

-> Monthly lectures, weekly seminars and frequent reading groups provide a forum for the exploration of Jung's ideas and concepts in a non-professional environment.

<http://www.jungclub-london.org/>

- **Society of Analytical Psychology (SAP)**

->The Society exists to fulfil four main functions: The Training of Adult and Child Analysts ;The Provision of Jungian Analysis to members of public through the work of the CG Jung Clinic and through the private referrals to members; Education to members of the public and through fellow professionals in the Psychotherapy field; The publication of books and audio tapes about the practice of Analytical Psychology www.jungian-analysis.org

- **The Independent Group of Analytical Psychologists (IGAP)**

-> The Independent Group of Analytical Psychologists are United Kingdom based Jungian Analysts, members of the International Association of Analytical Psychologists (IAAP).
www.igap.co.uk

- **The Guild of Pastoral Psychology**

-> Offers a rich, dynamic forum for those interested, professionally or otherwise, in understanding the relationship between religion, spirituality and depth psychology, with particular reference to the work and writings of C. G. Jung.
www.guildofpastoralpsychology.org.uk

- **GAPS - Guild of Analytical Psychology and Spirituality**

->The objects of the Company are for the advancement of education, for the relief of persons suffering from mental disorders and for the protection and preservation of mental health with particular reference to psychology of the soul and its development in the field of analytical psychology.
www.gaps.co.uk

International

- **International Academy of Consciousness (IAC)**

-> The International Academy of Consciousness is a non-profit organization dedicated to the scientific study of the consciousness (human essence, soul)
<http://www.iacworld.org/English/Academy/>

- **New Renaissance Magazine**

-> New Renaissance is a quarterly magazine serving as a forum for progressive discussion on the future of society. Since 1990, it has been bringing a holistic perspective to the economic, environmental, political, social, spiritual and cultural concerns of today.
<http://www.ru.org/>

Kanada

- **PSI EXPLORER** - Professor Michael Persinger, University of Sudbury, Ontario, Canada

-> PSI EXPLORER – the universe of psychic phenomena. Psi refers to a wide range of fascinating and controversial phenomena that include ESP ('mind reading'), psychokinesis ('mind over matter'), psychic healing and precognitive dreams.
(<http://www.psiexplorer.com/index.html>)

USA

Bewusstsein

- **Dr. Charles Tart**

-> Charles Tart is a legendary name in consciousness research. He is the first visiting Chair of Consciousness Research at the University of Nevada, Las Vegas. He has done many sophisticated experiments attempting to document the out of body state.
<http://www.paradigm-sys.com/cttart/>

- **Princeton Engineering Anomalies Research (PEAR)**

Scientific Study of Consciousness-Related Physical Phenomena

-> The PEAR program was established at Princeton University in 1979 to pursue rigorous scientific study of the interaction of human consciousness with sensitive physical devices, systems, and processes common to contemporary engineering practice. Since that time, an interdisciplinary staff of engineers, physicists, psychologists, and humanists has been conducting a comprehensive agenda of experiments and developing complementary theoretical models to enable better understanding of the role of consciousness in the establishment of physical reality.

<http://www.princeton.edu/~pear/>

- **Dept. of Personality Studies of the University of Virginia – Health system**

-> This is the leading scientific research center for topics like reincarnation, out-of-body experiences, near-death experiences and other aspects of parapsychology.

(http://www.healthsystem.virginia.edu/internet/personalitystudies/case_types.cfm#NDE)

- **The Noetic Journal**

-> an international forum on the cosmology of consciousness

<http://www.mindspring.com/~noeticj/>

- **Institute of Noetic Sciences (IONS)**

-> The Institute, located in Northern California, conducts and sponsors leading-edge research into the potentials and powers of consciousness—including perceptions, beliefs, attention, intention, and intuition. The institute explores phenomena that do not necessarily fit conventional scientific models, while maintaining a commitment to scientific rigor.

<http://www.ions.org/>

- **Consciousness Studies – National Institute for Discovery Science**

-> The National Institute for Discovery Science (NIDS) is a privately funded science institute engaged in research of aerial phenomena, animal mutilations, and other related anomalous phenomena

(http://www.nidsci.org/articles/mitchell_hologram.php)

- **Association for Transpersonal Psychology (ATP)**

-> ATP is an organization for scientific, social, and clinical transpersonal work that serves the world community. The Association's mission is *to promote eco-spiritual transformation through transpersonal inquiry and action*. Recognizing the reciprocity inherent between our actions and our world, the Association is dedicated to encouraging and enhancing practices and perspectives that will lead to a conscious, sustainable, co-evolution of culture, nature, and society.

<http://www.atpweb.org>

- **The Exceptional Human Experience Network (EHEN)**

-> EHEN is an educational, research, and information resource organization studying all types of anomalous (out of the ordinary) experiences.

<http://www.ehe.org/display/splash.cfm>

- **Cognitive Science Laboratory**

->Dr. Edwin May, one of the world's leading parapsychologists, provides valuable information about parapsychology

<http://www.lfr.org/>

- **Consciousness Research Laboratories**

-> Parapsychology information and tests by leading parapsychologist Dr. Dean Radin

<http://www.psiresearch.org/>

- **Association for the Study of Dreams (IASD)**

->The International Association for the Study of Dreams is a non-profit, international, multidisciplinary organization dedicated to the pure and applied investigation of dreams and dreaming. Its purposes are to promote an awareness and appreciation of dreams in both professional and public arenas; to encourage research into the nature, function, and significance of dreaming; to advance the application of the study of dreams; and to provide a forum for the eclectic and interdisciplinary exchange of ideas and information.

<http://www.ASDreams.org>

- **American Society for Psychical Research (ASPR)**

ASPR is the oldest psychical research organization in the United States. For more than a century, the ASPR has supported the scientific investigation of extraordinary or as yet unexplained phenomena that have been called psychic or paranormal.

<http://www.aspr.com/>

- **Information on Experiences of Unconscious Patients**

<http://www.rnceus.com/uncon/unframe.html>

- **Dr. Stuart Hameroff**

The new frontier in brain/mind science – quantum consciousness

-> Dr. Stuart Hameroff, physician, is Emeritus Professor at Departments of Anesthesiology and Psychology of the University of Arizona.

<http://www.quantumconsciousness.org/>

- **Journal of Scientific Exploration (JSE)**

->The international Journal of Scientific Exploration was established in 1987 to provide a professional forum for the presentation, scrutiny and criticism of scientific research on topics

outside the established disciplines of mainstream science. JSE is the official research journal of the Society for Scientific Exploration.

<http://www.scientificexploration.org/jse.php>

▪ **Center for Consciousness Studies, Department of Psychology, University of Arizona**

-> The Center for Consciousness Studies at the University of Arizona was formed in 1998. It is a unique institution whose aim is to bring together the perspectives of philosophy, the cognitive sciences, neuroscience, the social sciences, medicine, and the physical sciences, the arts and humanities, to move toward an integrated understanding of human consciousness.

www.consciousness.arizona.edu

▪ **Parapsychological Association**

-> International professional organization of scientists and scholars engaged in the study of 'psi' (or 'psychic') experiences, such as telepathy, clairvoyance, psychokinesis, psychic healing, and precognition

<http://www.parapsych.org/>

▪ **Esoterica – the Journal of Esoteric Studies**

-> a peer-reviewed academic journal devoted to the transdisciplinary study of Western esotericism: Western esoteric traditions including alchemy, astrology, Gnosticism, gnosis, magic, mysticism, Rosicrucianism, and secret societies, and their ramifications in art history, history, literature, and politics.

<http://www.esoteric.msu.edu/>

Medizin

▪ **International Journal of Healing and Caring – on line (IJHC)**

-> The IJHC presents: Personal, clinical, and research observations in integrative care; holistic healing - the growth and development of body, emotions, mind, relationships and spirit; Spiritual awareness and healing - within yourself, between you and others, and with your environment

<http://www.ijhc.org>

Naturwissenschaften

▪ **TASTE – An Archive of Scientists' Transcendent Experiences**

-> TASTE is an online journal devoted to transcendent experiences that scientists have reported.

<http://www.issc-taste.org/index.shtml>

▪ **Science and Theology News**

-> Science and Theology News is the monthly, international newspaper reporting the latest research findings, funding opportunities and discussions on the relationship among religion, science and health

<http://www.stnews.org>

Philosophie und Religion

▪ **American Scientific Affiliation (ASA)**

-> ASA is a fellowship of men and women in science and disciplines that relate to science who share a common fidelity to the Word of God and a commitment to integrity in the practice of science.

<http://www.asa3.org>

▪ **Templeton Foundation**

-> The mission of the John Templeton Foundation is to pursue new insights at the boundary between theology and science through a rigorous, open-minded and empirically focused methodology, drawing together talented representatives from a wide spectrum of fields of expertise

<http://www.templeton.org/>

▪ **Religious and sacred texts**

-> Collection of and links to sacred texts from all over the world

<http://davidwiley.com/religion.html>

Psychologie

▪ **Institute of Transpersonal Psychology**

-> Transpersonal Psychology is the extension of psychological studies into consciousness studies, spiritual inquiry, body-mind relationships and transformation. Carl Jung first coined the term transpersonal (überpersönlich) when he used the phrase "transpersonal unconscious" as a synonym for "collective unconscious."

<http://www.itp.edu/>

▪ **International Association of Spiritual Psychiatry**

->The International Association of Spiritual Psychiatry was founded in 1994 to promote the integration of the spiritual dimension into modern medicine, psychology and psychiatry.

<http://www.essence-euro.org/iasp/>

▪ **The C.G. Jung Page**

-> The Jung Page was founded in 1995 to encourage new psychological ideas and conversations about what it means to be human in our time and place. We need, as Jung said, "a language that alters with the spirit of the times." In this endeavor we invite the participation of Jungian analysts, friends of Jung, students, scholars, and psychotherapists and psychoanalysts of all persuasions.

www.cgjungpage.org

▪ **The Jungian Society for Scholarly Studies (TJSSS)**

The Jungian Society for Scholarly Studies was founded in 2002 by a small group of dedicated scholars. Its purpose is to study, disseminate, and develop the works and theories of Carl Gustav Jung and the Post-Jungians. TJSSS has established an academic, peer-reviewed e-journal entitled "Jung: the e-journal of the Jungian Society for Scholarly Studies.

www.thejungiansociety.org
